

## The Flagship Modular Solution Suite For Outbound Tour Operators

### What is OCEAN:

- + Modular reservation system for any mid-sized or large tour operator
- + Supports the entire workflow from client management to reservation, processing of documents & fulfillment, and accounting interfaces
- + Connectivity to your sales channels & your suppliers (incl. flight interfaces & GDS, accommodation suppliers and more)
- + Yield management system with sophisticated reports & statistics
- + Connectivity to your website (B2B, B2C, Supplier Extranet)
- + Dynamic packaging & pricing of any product type combination
- + Flexible workflow customization

### Why should you decide for OCEAN:

- + Extremely scalable
- + Any functionality can be customized and changed to your specific requirements
- + Additional functionality can be added with fast speed to market
- + Highly professional and dedicated project team to support the implementation

Please contact me for further details on how to best use our solution:
